Examic Measured

modern & flexible written exams

Preparation

Prepare written exams on your computer. You can request, create, review, revise and organize questions and compile them into exams.

Delivery

Conduct your exams on tablets with our apps, or on paper with machine-readable answer forms.

Analysis

Receive answers electronically and do your own evaluation or simply use our established expertise. Our service for in-depth exam evaluation and analysis will convince you too.

Comprehensive Service

We can offer the right solution for your specific needs. Our experts are happy to support you every step of the way: from preparation to analysis.

Seven Good Reasons for Examic Measured

- 1. Easy:** As an exam coordinator, Measured helps you keep the overview. As an author or a translator, simple, optimized processes make your task easier.
- 2. Flexible:** Deploy your exam on tablets (Android, iOS, Windows), desktops, laptops, paper, or all at once - the choice is yours.
- 3. User-friendly:** Our experts and developers are working hand in hand throughout all the development steps and the resulting tools are continually tested with real users in our own usability lab.
- 4. Robust:** Unexpected things may happen when electronic devices are involved. Measured exams on tablets work even during WiFi outages and allow you swap devices mid-exam.
- 5. Proven:** Our software solutions have stood the test of time - locally, nationally and internationally.
- 6. Sustainable:** Measured is being developed at the University of Bern in Switzerland as a not-for-profit initiative. Our team at the Institute of Medical Education is committed to offering innovative products and services on a sound technical and methodological basis.
- 7. Secure:** Good exam questions are a very valuable asset. Protecting your data is our top priority.

Has Measured sparked your interest?

We look forward to hearing from you.
