We train the leading medical educators of tomorrow

Master of Medical Education

The Institute for Medical Education offers a two years Master of Advanced Studies leading to the title "Master of Medical Education" (MME) of the University of Bern.

The MME program Bern enrolls international experts in health professions education (from USA, CAN, NL, D, CH) and admits students from different health professions enabling international and interprofessional networking.

The course program comprises 12 one-week modules, including 1 module in a Swiss mountain hotel and 1 module abroad. Course Language is mainly English. Added value: case-based coaching during the two year MME program.

Next program start

February 2024: Application Deadline October 31st, 2023 Course Fees: 30'000.- CHF
