**IML** Institut für  
Medizinische  
Lehre

**EVENTfabrik** BERN

**u<sup>b</sup>**  
UNIVERSITÄT  
BERN

# Program

**Opening** (2<sup>nd</sup> floor), 13.15

Welcome with Dean of the Medical Faculty, Claudio Bassetti and Director of the IML, Sissel Guttormsen

**Spotlight** 13.30

With speakers representing different roles:

**Steffen Eychmüller**, Lecturer, Chief Physician, University Clinic for Radio-Oncology and Head of the University Centre for Palliative Care, Inselspital  
**Henri Bounameaux**, President, Swiss Academy of Medical Sciences, SAMS/SAMW  
**Susanne Gedamke**, Executive Director, Swiss Patient Organization, SPO  
**Lenja Flütsch**, Medical Student, Bern

**Practical experience** (1<sup>st</sup> floor), 14.45

With 8 stations organised in a parcours, we offer experiences related to our work and our history. Half of the stations will be offered in English.

Examples are:

- how moulages are applied
- communication training with simulated persons
- how a written exam is conducted with tablets
- improving software usability

A poster session will round off this program item.

**Panel discussion** (2<sup>nd</sup> floor), 16.00

Insights and outlooks from Switzerland and abroad:

**Anne Herrmann-Werner**, Chair for Medical Education, Clinical Teacher, University of Tübingen, Germany  
**Monika Brodmann Maeder**, President executive board, Swiss Institute for Postgraduate and Continuing Medical Education, SIWF  
**Silke Biller**, Head of the Student Deanery, Faculty of Medicine, Basel  
**David Gachoud**, Clinical Teacher, Member of the Working Group Clinical Knowledge of the Federal Licensing Exam in Human Medicine, CHUV, Lausanne

**Conclusion and apéro**, approx. 17.00

Please register by  
26<sup>th</sup> June 2023  
at the latest.
