Master of Medical Education

The Institute for Medical Education offers a two years Master of Advanced Studies (MAS) leading to the title «Master of Medical Education» (MME) of the University of Bern.

The MME program Bern enrolls international experts in health professions education (from USA, Canada, Europe) and admits students from different health professions enabling international and interprofessional networking.

The course program comprises 12 one-week modules, including 1 module in a Swiss seminar hotel and 1 module abroad. Course language is mainly English. Case-based supervisions during the two-year program provide an added value.

Next program start

February 2026

Closing date for admissions: August 15, 2025 (may vary)

Course fees: 30'000.- CHF
